Explanation

Pursuant to Article 7 of the Rulebook on Airport Charges of the Republic of Serbia ("Official Gazette of the RS", No. 71/2013, 48/2016, 96/2017) (hereinafter: the Rulebook) and in connection with Article 133 of the Air Transport Law of the Republic of Serbia ("Official

BELGRADE AIRPORT

Gazette of the RS", No. 73/2010, 57/2011, 93/2012, 45/2015, 66/2015 - other law, 83/2018, 9/2020 and 62/2023), BELGRADE AIRPORT d.o.o. Belgrade started the process of consultations with the airport users on September 29, 2023, by submitting an official proposal to change the amount of airport charges for the year 2024, applicable as of January 01, 2024 (Revision of Airport Charges-Proposal for Adjustment of Airport Charges for the year 2022) to all airport users, with the announcement of their increase and grounds for proposing the changes and clarification of changes proposed, letter no. GD -2899/2023 dated 29/09/2023).

At the meeting of the Airline Carriers Committee held on October 24, 2023, the Committee had accepted the proposal of BELGRADE AIRPORT d.o.o. Beograd that the consultation period regarding the changes in the amount of airport charges enclosed in the draft of the new Price List of Airport Services, Price List of Special Services to Passengers - Passenger Service and Security Fee and Price List for BRS system use, shall be extended until October 31, 2023 (Minutes from the meeting of the Airline Carrier Committee dated 10/24/2023 and 10/31/2023, enclosed hereto).

The proposed changes include fees for airport services, as stated in the enacting clause/wording of this decision (use of centralized infrastructure, air bridge, landing, aircraft parking, CUTE, PSC and BRS), and the amount of each stated charges shall be increased pursuant to the following model:

Airport charges

- Price List of Airport Services;
- Price list of special services for passengers (excluding security fee and charges for transferring and passengers on domestic flights);
- Price list of BRS system use

5.3% increase.

The consultation with airport users was completed on October 31, 2023.

During the consultations with air carriers and based on the received comments referring to the submitted draft of the airport charges price list, it has been decided that increases/discounts shall not be applied to flights in peak periods/out of peak periods as not to jeopardize the development of the regional hub concept which incorporates new markets, in regard to both short/medium haul flights and intercontinental traffic.

Hereof decision was adopted with strict adherence to legal and regulatory obligations, comments and remarks presented by airport users during the consultation process as well as in regard to the impact of these changes on all participants.

Charges have been set on a non-discriminatory basis, with relevant, objective and transparent criteria.
