## GENERAL CONDITIONS

- A** As value consignments (of item 301) are considered consignments according to IATA, and other consignments of high value or special sensitivity, as determined by BELGRADE AIRPORT d.o.o. Beograd (hereinafter: **the AIRPORT**) at the request of the service user. As a basis for the calculation (not applicable to banknotes) serves value stated in the invoice, shipping documents, customs declaration and so on.
- B** Working time for the examination/issuance goods, acceptance of the export and outgoing goods highlighted at the checkpoint is in compliance with the requirements of clients (24/7) and working hours of the competent state authorities. Outside working hours, Saturdays, Sundays, and public holidays services are carried out against previous announcement and agreed upon in the same way as services on special request.
- C** Service on special request involves commitments made by announcement, by disposition, 24 h earlier. Previous announcement is received by Coordinator of Cargo Handling or stockman. Coordinated obligation is certified on the announcement.
- D** Transshipment of consignment in ground transport must not be made without any approval of the AIRPORT authority at the entire airport Nikola Tesla Belgrade complex. Authorization shall be granted upon a request made by disposition and is treated as a service on special request.
- E** Oversized shipments are subject to special engagement and compensation.
- F** To oversized consignments with volume, surface area, or length which condition storage out of storage units, box/palette shall apply volumetric coefficient 167, or linear coefficient 60
- G** Consolidation and deconsolidation consist of the operations with export and import goods, as marked on the disposition of export goods or the goods or documents of imported goods
- H** Carrier who brought the goods bears the costs per Pricelist if he did not clear or return the goods abroad within the legal deadline or if the owner or consignee did not dispose of it in some other way. For export goods, as for the previous, the liability to pay the costs relates to the shipper / exporter who gave the goods for storage.
- I** AIRPORT reserves the right, from time to time, to change the Price List. The date of entry into force of such changes and/or additions to the Price List as well as the application of new prices will be indicated in the amended Price List. Calculation and payment of services shall be performed according to the valid Price List on the day when goods are released ("dan istupa robe").

- J** Manipulation and storage services could be single increased regarding the amount of material used and labour costs, if is necessary.
- K** When the subject of the service is advertising material and service/airline mail, price is reduced by 50% from the regular price
- L** The VAT service is not included in the service prices of this Price List and is calculated separately
- M** Destroying of goods from item 310 shall be based on the decision of the competent inspection services. Compensation for the destroying of the goods shall be borne by the carrier that brought the goods, or owner of the goods.
- N** The liability of the AIRPORT for loss, destruction, damage or delay of cargo is limited to the lower of the actual value of the cargo and 26 SDR\* (Special Drawing Rights) per kilogram of weight of the cargo, in accordance with the Montreal Convention (1999).

The AIRPORT shall not be liable for any indirect or consequential damages, including loss of profit or loss of market.

\* SDR (Special Drawing Rights) is the accounting unit of the International Monetary Fund. The value of the SDR in euros is calculated according to the official exchange rate of the IMF on the day the fee is calculated.

- O** This Price List is written in Serbian and English, with the Serbian version taking precedence and being the official version for interpreting this Price List.

- P** At the moment when the service user begins to use any of the services defined by this Price List, the service user confirms that he is fully and accurately informed about the content and conditions of the Price List, which means it is fully agreed.

**BELGRADE AIRPORT d.o.o. Beograd**
