Note:

- Prices are expressed in euros, and the calculation is made at the official middle exchange rate of the NBS on the date of the tax liability.
- The stated prices are in the net amount without the calculated amount of VAT
- The price list is valid for passenger flights only. Cargo flights are excluded.
- Payment is made in accordance with the option chosen by the airline by completing the appropriate form provided by the airport operator.
- If the airline does not submit a completed form and thereby fails to clarify the choice of the waste separation and removal option, or if it does not act in accordance with the selected option, the "Airlines that do not separate waste" option will be applied for billing.
